

Fall Yard Waste Curbside Tips

Bin it: Use a reusable metal or rigid plastic container with handles and marked with a large "X" on all sides

Bag it: Use biodegradable paper yard waste bags

Bundle it: Bundle branches securely with twine

Each container, bag, or bundle must weigh 40 pounds or less

County issued recycling carts, plastic bags, and non-rigid, lightweight containers, including fabric, plastic, collapsible mesh, or other reusable bags are **NOT** an acceptable container for yard waste collection. For questions, please call 410-222-7951.

Your Pumpkins are Gourd-ous!

Did you know pumpkins are considered a food item? That's why they are not accepted for curbside yard waste collection. Instead, please bring them to a County Recycling Center for organics recycling, or add them to your backyard compost!

Interested in trying out composting at home? Pick up a free backyard compost kit! For pick-up locations and more information, please visit: aacounty.org/yard-waste

Don't stuff your curbside recycling cart with wish-cycling items! Follow the Scarecrow's guide to recycling right. Call the Recycling and Waste Reduction Division at 410-222-7951 for more information or visit RecycleMoreOften.com

Always recycle these items. Place accepted items loosely in your curbside recycling cart. All containers must be empty prior to recycling. No need to remove lids or labels.

Do NOT include these items in your curbside recycling cart:

- No Food, Liquids or Soiled Paper
- No Foam Cups, Containers, or Packaging
- No Clothing, Furniture, Carpet, or Tarps
- No Plastic Bags, Wraps, or Bagged Recyclables
- No Scrap Metal
- No Yard Waste
- No Hoses, Cords, or Wires
- No Batteries, Electronics, or Tanks
